### REVIEW OF GUSTAV FLECKE-GIAMMARCO ET AL. (EDS.), THE DIS ARBITRATION RULES: AN ARTICLE-BY-ARTICLE COMMENTARY

*Sherlin Tung & Alex Ye\**

#### ABSTRACT

*Given Germany's importance in global commerce, a considerable number of international arbitrations are seated in Germany and administered under the arbitration rules of Germany's leading arbitral institution, the German Arbitration Institute (hereinafter "**DIS Rules**"). Gustav Flecke-Giammarco, Christopher Boog, Peter Heckel, and Anke Meier's commentary (hereinafter "**Commentary**") offers first-hand information and in-depth knowledge for arbitrations conducted under the current DIS Rules revised in 2018 (hereinafter "**2018 DIS Rules**"). As the only comprehensive English commentary on the 2018 DIS Rules, this Commentary no doubt serves as an essential tool for non-German readers to understand how to handle DIS arbitrations, both seated in and outside of Germany. It is a must-have handbook for parties or practitioners who are involved or interested in arbitration under the DIS Rules.*
